Form 80 Review Items

Kristina Aleksandrova Warren

Prepared 18 October 2026 · Client reference WaKr-2631-801-3

REVIEW DRAFT — DO NOT SIGN YET

Yellow cells in the editable attachment need confirmation. The PDF retains the agency's previously completed answers, with only two known updates applied: Coffs Harbour as the further-stay city and Kristina's father marked DECEASED.

Main Form 80 — confirm before signing

- ☐ Confirm Kristina's mobile number remains +61 480 655 043.
- ☐ Confirm the primary email remains visa@scottandkristinawarren.com and list any other personal, student or work email address required by Question 15.
- ☐ Confirm the current Bulgarian passport details remain correct: passport 389 306 673, issued 11 September 2023 and expiring 11 September 2028.
- ☐ Confirm the Bulgarian identity-card number remains 652 800 497 and the birth-certificate number remains 0040.
- ☐ Confirm every Question 36 character answer remains 'No'. Any change must be disclosed accurately.
- ☐ Confirm the two prior visa-refusal explanations at Question 39 remain complete and accurate.
- ☐ Kristina's father has been updated from Bulgaria to DECEASED in the parent-details section. Confirm all other partner, parent, step-parent and sibling details remain current.
- ☐ Confirm Scott's and Rosita's contact details in Australia remain correct, including phone numbers and addresses.
- ☐ The further-stay city has been updated from Brisbane/Gold Coast to Coffs Harbour, NSW. Confirm this is the preferred answer.
- ☐ Do not sign or date Part S until Kristina and Affinity have reviewed the complete form and attachment.

Question 17 — address history

- ☐ Provide the exact date Kristina and Scott moved from 9 Woollahra Court, Varsity Lakes to 12 Millet Place, Upper Coomera. The draft leaves this boundary highlighted because Form 80 requires no gaps.
- ☐ Confirm 12 Millet Place was occupied until 10 November 2024, immediately before the Urunga tenancy began on 11 November 2024.
- ☐ Confirm the address sequence and dates: Varsity Lakes from 21 June 2024; Upper Coomera; Urunga from 11 November 2024 to 27 July 2025; Coffs Harbour from 28 July 2025 to current.

Question 18 — international travel

- ☐ Confirm the destination wording and dates for Bali: 30 September to 10 October 2025.
- ☐ Confirm the Bulgaria Christmas trip should be recorded as 11 December 2025 to 8 January 2026, using the Australian return-arrival date.
- ☐ Confirm the bereavement/family trip should be recorded as 3 June to 18 June 2026, using the Australian return-arrival date.

- ☐ Confirm there were no other international trips after 11 February 2024.

Question 19 — employment and unemployment

- ☐ Confirm Kristina's exact Coffs Coast Wildlife Sanctuary role title, employer street address and main duties.
- ☐ Confirm whether 1 October 2026 is the employment commencement date for Form 80 purposes, rather than only the first shift date.
- ☐ Review the 21 June 2024 to 30 September 2026 entry describing Kristina as not employed, supported by Scott, studying at TAFE NSW and volunteering. Add exact paid work or material volunteer periods if required.
- ☐ Provide short, accurate duty descriptions for Wildlife BG, Eyes On Four Paws Foundation, the waitress roles and Gadol Ltd. The agency added '[main duties]' prompts to the prior entries.

Question 20 — education

- ☐ Confirm exact commencement and completion dates for the Certificate II and Certificate III.
- ☐ Confirm the official Certificate III course title and code. The working description is Certificate III in Wildlife and Exhibited Animal Care.
- ☐ Confirm the official Certificate II title. Email evidence supports Certificate II in Animal Care, course ACM20 121-01V03.
- ☐ Confirm the TAFE NSW campus name and street address used for both courses.

Question 35 — visa history

- ☐ Review the agency-prepared Partner (subclass 820) row and confirm whether Affinity wants the 24 September 2025 grant date recorded anywhere in the visa-history attachment.
- ☐ Confirm no other Australian visa or entry needs to be added after the two historical subclass 651 entries.
