Visa 801 - Document Checklist

Updated 18 October 2026. This is the central status checklist. A checked item means the document or evidence has been gathered locally or the requirement was previously completed. Items that still need selection, upload, final review, signatures or agency confirmation remain listed separately.

[P1] indicates priority - these have been flagged by Affinity as a priority to focus on (migration agency)

Remaining items — focus here

This section collects every unresolved action in one place. Work through the first group first; the later groups are supporting items or questions for Affinity.

Priority documents to finish

- TO DO **[P1] Updated Form 80 for Kristina** — complete and review the form and attachment using the previous version as the base.
- TO DO **[P1] Mum's witness statement** — the corrected editable Word draft and PDF were emailed to Mum on 18 October 2026. Obtain her corrections or confirmation, then have the final declaration signed and witnessed and collect the identity attachment required by the template.
- TO DO **[P1] Jaya's witness statement** — the editable draft and the agency's blank template were emailed to Jaya on 18 October 2026. Obtain her corrections or confirmation, then have the final declaration signed and witnessed and collect the identity attachment required by the template.
- TO DO **[P1] Scott's relationship statement** — complete the final voice and accuracy review, update any remaining facts and the statement date, obtain Affinity's review, then arrange signing.
- TO DO **[P1] Shared-address correspondence** — locate joint correspondence, or separate letters for Scott and Kristina showing the same current address.
- TO DO **[P1] Evidence filing and submission selection** — upload any renamed bank statements, bills, car insurance and licence files not yet in the 801 Drive folder, then choose a representative set with useful date coverage.

Evidence to obtain or complete

- TO DO **Kristina's Bulgarian national identity card** — add a clear colour copy of the original and an official English translation if the document is not in English.
- TO DO **Bali return-flight evidence** — add Kristina's return booking or boarding record for 10 October 2025 when received.
- TO DO **Relationship photo timeline** — if available, add one or two photos from March–May 2026 and one or two from September–October 2026. If none are useful, ask Affinity whether the present 24-photo timeline is sufficient.

Questions to send to Affinity

- TO DO Confirm whether exact dates and separate contact evidence are needed for the short periods apart involving family events, TAFE excursions and Sydney Bats. Bali contact evidence and the definite 11–14 May 2026 Sydney work trip are already documented.
- TO DO Confirm whether Kristina's Bulgarian driver licence is required in addition to her NSW licence.
- TO DO Confirm whether the current photo timeline is sufficient if no suitable photos are available for the two remaining date gaps.

Optional supporting items

- TO DO Confirm that gas is not applicable at the current home, if correct.
- TO DO Add Kristina's exact Coffs Coast Wildlife Sanctuary role title if it is readily available from her contract or payslip.

TO DO Add useful Bulgaria accommodation records or trip photos if already available; the joint flight evidence is complete.

TO DO Consider course certificates, sanctuary employment evidence, volunteering records or relevant veterinary records only where they strengthen an event already described.

Statement confirmations and remaining actions

The initial draft is prepared for review. Add replies beneath these items; approximate dates are fine where exact dates are being checked.

Scott's review required now

These questions are intended to replace vague wording with facts Scott can personally confirm. Do not state a fact as certain until it is confirmed here or supported by evidence.

DONE **Kristina's superannuation beneficiary evidence** — added to Evidence; no further review requested.

DONE **Bali contact wording** — use: “We remained in regular contact through messages on most days and video calls when her schedule allowed.” Do not claim daily contact or a specific call count. Three message screenshots from 6–8 October 2025 have been uploaded to Drive.

TO DO **Other periods apart** — ask Affinity whether exact dates, durations and separate contact evidence are required for the short absences involving the brother's house move, birthdays, TAFE excursions and Sydney Bats. Definite solo work travel is confirmed for Sydney from 11 to 14 May 2026.

TO DO **Sanctuary role title** — first shift confirmed as 1 October 2026 and first pay confirmed as deposited into joint 2Up. Add the exact role title if it is readily available from the contract or payslip.

DONE **Lease extension** — renewal period 27 July 2026 to 25 January 2027 is confirmed by Scott and appears in the lease document.

DONE **Scott's work** — use “Software Engineer”; employment commenced 21 October 2024.

DONE **Bereavement timing** — keep the timing general. The exact date of death is not necessary for the relationship narrative unless Affinity requests it or Scott chooses to include it.

TO DO **Final voice and accuracy review** — check that the draft sounds like Scott and is accurate, especially the bereavement, finances, living arrangements and future-plans sections. Update the cutoff date, then send it to Affinity and arrange signing only after the content is final.

Resolved statement points

DONE School friend's wedding — Photos metadata confirms 15 August 2025 in Buccan. This was before the 820 grant date, so it remains outside the updated statement. The couple's names are only needed if you choose to add it as earlier social context.

DONE Car purchase — confirmed from the tax invoice: 7 November 2024, 2019 Mazda 3. Current registration-related evidence shows NSW registration DN93QA and Scott as owner. The ING loan is solely in Scott's name.

DONE Bali travel arrangements — Scott and Kristina drove to the Gold Coast together and left the car at Scott's mum's house. Kristina travelled alone; Scott remained in Australia. A dog sitter was arranged. Add these details only where they improve the account.

Response space: add answers below the relevant item, using approximate dates where exact dates are still being checked.

Additional evidence follow-up and agency clarifications

TO DO Bali return ticket — already requested from Kristina; add to Evidence when received. Return date supplied is 10 October 2025.

TO DO Joint travel — December and June Bulgaria flight records have been reviewed. Add available accommodation details and photos where helpful. No extra December passenger record is requested: Scott confirmed both travelled and the booking is for two travellers.

DONE Contact during separation — three dated Bali Messages screenshots from 6–8 October 2025 are uploaded to the Drive Contact During Separation folder. Ask Affinity whether further records are required for brief absences.

DONE Shared finances — CBA, 2Up and ING statements have been retrieved with relevant date coverage. ING and the loans remain accurately described as solely held. Upload and final submission selection are tracked above.

DONE Legal commitments — beneficiary evidence for both partners and the joint leases have been gathered.

DONE Utilities — electricity, internet and telephone bills reviewed are in Scott's name; water bills are addressed to the property owner or agent. Gas remains to be confirmed as applicable or not applicable. Do not describe these as jointly held accounts.

DONE Urunga lease — Scott confirmed that after the fixed term the tenancy continued periodically until Scott and Kristina moved to Coffs Harbour in July 2025.

TO DO Agency question — confirm whether Kristina’s Bulgarian licence is wanted.

TO DO Optional supporting records — locate course completion certificates, sanctuary contract/payslip, volunteering records and veterinary invoices/loan records where useful. These are supporting suggestions, not additional agency requirements.

Photo timeline review and gaps

The updated draft contains 24 photos across 16 dates from August 2025 to August 2026. Kristina's added photos improve June–August 2026 coverage and add family, friends, walking, sailing and a current couple photograph.

DONE **Recent coverage** — added recent photos through 29 August 2026.

TO DO **March–May 2026 gap** — add one or two photos if available.

TO DO **September–October 2026 gap** — add one or two current photos if available before finalising.

DONE **Ordinary shared life** — added walking and sailing photographs.

DONE **Australian family and friends** — added social photographs with friends.

TO DO **Milestones** — consider one photo from TAFE completion, sanctuary work or volunteering if it naturally includes both partners or shows mutual support.

DONE Review Kristina's additional candidates and select six useful additions without adding more Christmas duplicates or near-identical selfies.

Confirmed facts and evidence review notes

Resolved — Kristina’s full name is Kristina Aleksandrova Warren. Scott confirmed the missing “s” was an error in the earlier statement.

Resolved — course titles are Certificate II and Certificate III in Exhibited Animal Care; completion months supplied are June 2025 and June 2026 respectively.

Resolved — CBA and 2Up accounts are joint. ING bills account, credit card, car loan and dog-surgery loan are in Scott’s name. Earnings, bill payments and the manual ING verification explanation are incorporated. Debt reduction from Kristina’s income remains tentative.

Resolved — Urunga scan visually checked, pages 1–2: agreement made 8 November 2024; commencement 11 November 2024; Kristina and Scott named; address 28 Fitzroy Street, Urunga. Scott confirmed that after the fixed term the tenancy continued periodically until Scott and Kristina moved to Coffs Harbour in July 2025.

Resolved — Coffs lease text names both parties, commencing 28 July 2025 and ending 26 July 2026. Renewal runs 27 July 2026–25 January 2027. Scott accepted these dates. Signature images have not been independently authenticated.

Resolved — Bulgaria Christmas trip: depart 11 December 2025; return departure 6 January 2026; arrival Australia 8 January. Booking for two travellers reviewed; Scott confirms both travelled.

Resolved — Bulgaria June trip: depart 3 June 2026; return departure 16 June; arrival Australia 18 June. Separate tickets for Scott and Kristina show matching itineraries.

Resolved — Bali outbound ticket names Kristina and departs 30 September 2025. Return evidence is the pending item above.

Resolved — the social section now records the February 2026 Bad Bunny concert in Sydney, the August 2026 whale-watching outing with Kristina's friends, time with Kristina's friend and her husband in January 2026, and the way family and friendships have continued since the move to Coffs Harbour. Christmas 2024 remains earlier context. Current plans for Sydney, a home in 3–4 years and ongoing conversations about children are incorporated. The superannuation home-deposit wording records your intention, not an eligibility assessment.
