Visa 801 - Document Checklist

Updated 18 October 2026. This is the central status checklist. A checked item means the document or evidence has been gathered locally or the requirement was previously completed. Items that still need selection, upload, final review, signatures or agency confirmation remain listed separately.

[P1] indicates priority - these have been flagged by Affinity as a priority to focus on (migration agency)

Remaining priority actions

These are the highest-impact items still requiring work.

- TO DO **[P1] Updated Form 80 for Kristina** — complete and review the form and attachment using the previous version as the base.
- TO DO **[P1] Two updated Form 888 witness statements** — Mum's draft has been received and reviewed; correct the issues listed in the review notes, then complete signing and witnessing. Jaya's updated statement is still required.
- TO DO **[P1] Finalise Scott's relationship statement** — review the first-pass draft dated 18 October 2026, resolve the remaining factual questions, obtain Affinity's review and arrange signing.
- TO DO **[P1] Complete the relationship photo timeline coverage** — 18 curated photos from August 2025 to July 2026 have been exported and placed into a draft timeline. Add recent photos for August to October 2026 and, if available, ordinary-life photos for the March to May 2026 gap before final submission.
- TO DO **[P1] Contact during periods apart** — add dated messages or call records for Bali and any other relevant separations after 24 September 2025.
- TO DO **[P1] Correspondence to both partners at the shared address** — locate letters or mail addressed jointly, or separate correspondence showing both names at the same address.
- TO DO **[P1] Legal commitments** — Scott's IOOF beneficiary nomination has been captured and shows Kristina as 100% beneficiary under a binding non-lapsing nomination. Retrieve Kristina's beneficiary nomination and decide whether any other evidence is relevant.
- DONE **[P1] Car purchase and registration evidence** — purchase invoice dated 7 November 2024 and current registration-related evidence have been gathered. The vehicle and liabilities are in Scott's name; describe them accurately as a shared household asset and joint decision rather than joint legal ownership.
- TO DO **[P1] Upload and curate the newly gathered evidence** — upload the renamed bank statements, bills, car insurance and licence files to the 801 Google Drive folder, then choose a representative submission set with useful date coverage.

Statement confirmations and remaining actions

The initial draft is prepared for review. Add replies beneath these items; approximate dates are fine where exact dates are being checked.

TO DO Short periods apart — definite solo work travel is now confirmed for Sydney from 11 to 14 May 2026. Confirm how you kept in contact during that trip. Also supply approximate dates, number of nights, who travelled, who remained home and how you kept in contact for the brother's house move, birthdays, each TAFE excursion and Sydney Bats trip. A work activity places Scott in Concord West on 10 November 2025, but the surrounding travel dates and whether Kristina accompanied him still need confirmation.

DONE School friend's wedding — Photos metadata confirms 15 August 2025 in Buccan. This was before the 820 grant date, so it remains outside the updated statement. The couple's names are only needed if you choose to add it as earlier social context.

DONE Car purchase — confirmed from the tax invoice: 7 November 2024, 2019 Mazda 3. Current registration-related evidence shows NSW registration DN93QA and Scott as owner. The ING loan is solely in Scott's name.

TO DO Sanctuary work — confirm the first shift date if you want it stated exactly (currently “around the beginning of October 2026”), and the role title if useful. Update the reference to two completed shifts when finalising the statement.

TO DO Bali arrangements — clarify the drive to/from the Gold Coast, where Scott stayed and who cared for the dog, if these details are to be included. The draft currently mentions the car left with Mum and a sitter only for the joint Bulgaria trips.

TO DO Final read — check the statement sounds like Scott and is accurate, including the bereavement paragraph, finances and future plans. Confirm “Web Developer” remains an appropriate occupation in the agency template. Review with Affinity, update the cutoff date and arrange signing only after the content is final.

Response space: add answers below the relevant item, using approximate dates where exact dates are still being checked.

Additional evidence follow-up and agency clarifications

TO DO Bali return ticket — already requested from Kristina; add to Evidence when received. Return date supplied is 10 October 2025.

TO DO Joint travel — December and June Bulgaria flight records have been reviewed. Add available accommodation details and photos where helpful. No extra December passenger record is requested: Scott confirmed both travelled and the booking is for two travellers.

TO DO Contact during separation — select dated messages/call records from Bali and relevant other periods apart for the P1 item above.

DONE Shared finances — CBA, 2Up and ING statements have been retrieved with relevant date coverage. ING and the loans remain accurately described as solely held. Upload and final submission selection are tracked above.

TO DO Legal commitments — Scott's IOOF nomination is gathered and shows Kristina at 100% under a binding non-lapsing nomination. Locate Kristina's nomination naming Scott and identify any other relevant commitments, if applicable.

DONE Utilities — electricity, internet and telephone bills reviewed are in Scott's name; water bills are addressed to the property owner or agent. Gas remains to be confirmed as applicable or not applicable. Do not describe these as jointly held accounts.

TO DO Urunga lease — if precise historic tenancy coverage is needed, clarify the scan's ticked six-month term versus its written end date of 10 February 2025, and any continuation. The commencement date is confirmed as 11 November 2024.

TO DO Agency wording — confirm the "Subclass 729" reference means 820 and whether Kristina's Bulgarian licence is wanted.

TO DO Wills — establish whether relevant existing wills are available; this is not a task to create new wills.

TO DO Optional supporting records — locate course completion certificates, sanctuary contract/payslip, volunteering records and veterinary invoices/loan records where useful. These are supporting suggestions, not additional agency requirements.

Confirmed facts and evidence review notes

Resolved — Kristina's full name is Kristina Aleksandrova Warren. Scott confirmed the missing "s" was an error in the earlier statement.

Resolved — course titles are Certificate II and Certificate III in Exhibited Animal Care; completion months supplied are June 2025 and June 2026 respectively.

Resolved — CBA and 2Up accounts are joint. ING bills account, credit card, car loan and dog-surgery loan are in Scott's name. Earnings, bill payments and the manual ING verification explanation are incorporated. Debt reduction from Kristina's income remains tentative.

Resolved — Urunga scan visually checked, pages 1–2: agreement made 8 November 2024; commencement 11 November 2024; Kristina and Scott named; address 28 Fitzroy Street, Urunga. The form ticks "6 months" but writes an end date of 10 February 2025. If Affinity needs precise historic tenancy coverage, clarify this inconsistency and any continuation; it does not alter the verified commencement date. The scan alone does not establish the actual move-out date.

Resolved — Coffs lease text names both parties, commencing 28 July 2025 and ending 26 July 2026. Renewal runs 27 July 2026–25 January 2027. Scott accepted these dates. Signature images have not been independently authenticated.

Resolved — Bulgaria Christmas trip: depart 11 December 2025; return departure 6 January 2026; arrival Australia 8 January. Booking for two travellers reviewed; Scott confirms both travelled.

Resolved — Bulgaria June trip: depart 3 June 2026; return departure 16 June; arrival Australia 18 June. Separate tickets for Scott and Kristina show matching itineraries.

Resolved — Bali outbound ticket names Kristina and departs 30 September 2025. Return evidence is the pending item above.

Resolved — England wedding did not proceed and is removed. Christmas 2024 is clearly earlier context. Current plans for Sydney, a home in 3–4 years and ongoing conversations about children are incorporated. The superannuation home-deposit wording records your intention, not an eligibility assessment.
